

## Fact Sheet

**Dex Digital Sample Library** is a 501(c)(3) building an **always-free, CC-BY 4.0** library of artist-made video and audio so creators, educators, and developers can **reuse and remix with attribution**—no paywalls, no permission slips.

## Programs (2025–26)

- **dexDRONES** — cinematic **drone video packs** released **CC-BY** for immediate reuse.
- **INdex (guest residencies)** — students as **commons-builders**; sessions/stems published CC-BY.
- **DexFest** — annual **capture-for-the-commons** festival; multi-artist sessions released to the public.
- **Season 3: YOU** — **user uploads** as **CC0** (featured as submitted) **or CC-BY co-release** (Dex may edit/splice/grade/mix/master).

## By the numbers

- **~30 hours** of catalogued video/audio assets (and growing)
- **~12,000 download events** to date
- Release license: **CC-BY 4.0** (attribution required; commercial reuse allowed)
